

Referee's/Umpire's Assistant - Full Suite 2007-08 (DVD-ROM)
(Football/Rugby Union/Rugby League/Tennis/Badminton, Cricket, Squash, Triathlon)

Description:

This is a full suite of the world-leading, comprehensive interactive guides to all the laws of Football, Rugby Union, Rugby League, Tennis, Badminton, Cricket, Squash and triathlon, developed with and endorsed by national and international governing bodies, with hundreds of clips of match footage, featuring the worlds leading teams and players.

With expert commentary provided by some of the world's leading commentators from the BBC and Sky Sports, each law is described in detail, and class-leading 3D animations give an 'umpire's/referee's-eye view' of various scenarios, ensuring that this network software engages learners in the classroom like no other. The software also features hundreds of interactive questions to test learners' knowledge, arranged as 'Test yourself' sections at the end of each law module, together with a mock exam, to prepare candidates for the new 'BTEC Laws of Sport examinations and national sport governing bodies' entry-level umpiring and refereeing awards.

The Umpire's Assistant and Referee's Assistant have been specifically designed to support GCSE and A Level PE, BTEC First and National awards in sport, the new Edexcel level 2 BTEC awards in the 'Laws of Sport - Football/Rugby Union/Rugby League/Tennis/Badminton/Cricket/Squash/Triathlon and national governing bodies entry-level refereeing and umpiring awards.

The annual product license is for an unlimited number of users across an unlimited number of your institution's sites and runs until 1st September 2008 (the software is updated annually to keep pace with law changes). Additionally, the 2008-09 full suite will feature further sports!
