HEAD OF REGISTERED MANAGER (ADULTS) NVQ

June 2007

Dear Colleague,

**EXTENSION AND AMENDMENT OF:  
Q5000033 - EDEXCEL LEVEL 4 NVQ IN REGISTERED MANAGER (ADULTS)**

I am pleased to inform you that in line with our own accreditation from QCA, your approval to offer the above NVQ has now been extended. You may publicise that the approval period for this qualification has been extended and you can now register candidates up until 31 March 2008. The candidates will then have until 31 March 2011 to gain certification.

We will be unable to accept registrations on this NVQ, using the above Q number, for candidates enrolled after 31 March 2008 and, therefore, I would be grateful if a copy of this letter is passed to your Course Co-ordinator.

Revised National Occupational Standards developed by Skills for Care and Development will form the basis of a new National Vocational Qualification which will be available after March 2008.

As a condition of the extension and following correspondence with QCA and Skills for Care and Development, the structure of this qualification will change for candidates registered from **1 September 2007**.

The following units will be removed from the structure for candidates registered from 1 September 2007 and therefore these candidates will not be able to claim these units as part of their NVQ:

- A1 Assess candidates using a range of methods
- A2 Assess candidate's performance through observation

For candidates registered before 1 September 2007, the structure remains unchanged.

For up to date details of all accredited Edexcel NVQs, please see the latest edition of NVQ News and/or the NVQ Portfolio Accreditation Listing, both of which are on our website [www.edexcel.org.uk/quals/](http://www.edexcel.org.uk/quals/) in the NVQ section.

Yours sincerely,
