

AMENDMENTS TO EDEXCEL ADVANCED SUBSIDIARY AND ADVANCED GCE IN GEOGRAPHY B (8215/9215)

Key changes to the specification are listed below and will also be identified in a fully revised version of the above AS and Advanced GCE specification available on the Edexcel website (www.edexcel.org.uk). Printed versions will subsequently be available from our publications department. We will notify you through our website when the printed specifications are available.

For first examination summer 2003

- It is no longer a QCA requirement that the synoptic unit is taken by students in their final examination sitting.
- Final submission for coursework date is May 15th.
- The student and the teacher who assesses their work must sign all student coursework record sheets.
- Forms GB1, GB2, GB3 have been amended. A re-sit form for candidates intending to resit Unit 6473 has been produced. These are all available from the Edexcel website.
- Candidates may transfer the mark for their coursework report (6475/02) from January to June in any one examination series.
- Amendment to Unit 2, Page 22, 2.2 second bullet point should read "Contrasts exist between rural areas in MEDCs and LEDCs in terms of population density, settlement distribution and economic activities".
- Amendment to Unit 5 Page 43, Option 5.1.3 the generalisation should read "The current use of energy and mineral resources..."
