

## Erratum Notification

### Edexcel Level 4 BTEC Higher Nationals in Electrical/Electronic Engineering

Please note that there are the following discrepancies between the H1/2 level of three units within the specification for the Higher Nationals in Electrical/Electronic Engineering. The levels specified within the qualification structures at the front of the specification are correct. The first page of each of the units is incorrect.

The table below shows the correct level of these units:

Unit	Title	Correct level
Unit 5	Electrical and Electronic Principles	H2
Unit 7	Telecommunications Principles	H2
Unit 11	Digital and Analogue Devices and Circuits	H2
