

E-SKILLS UK GUIDANCE ON INTERPRETATION OF THE ITQ ASSESSMENT STRATEGY

Evidence for the ITQ mandatory unit must be naturally occurring from IT activities undertaken for a specific and real purpose, but that this does not necessarily mean that candidates must be in paid employment.

For those learners not in employment valid evidence can arise from:

- the search for employment (eg CVs, job applications and emails to potential employers)
- social activities (eg club membership databases, posters, and websites)
- enterprise activities (eg business plans, budgets, and marketing materials)
- voluntary activities (eg cash flows, programmes and newsletters)
- learning and studying subjects other than IT (eg internet research for a geography assignment, reports/dissertations and presentations).
