

## Erratum Notification

### **Edexcel Level 2 BTEC Certificate in Hairdressing**

Page 12 in the published specification (BA012671- issue 1) contains an error; corrected text is produced below.

#### **Restrictions on Learner Entry**

The restrictions on learner entry for this qualification have also been amended. It is now available for delivery to the 14-16 year-old age group. These are not intended to be competence based qualifications, but should be used to support NVQ provision where this is delivered concurrently. Where this is not the case, we recommend the relevant NVQ as a progression route for candidates who successfully complete the Level 1 or Level 2 Certificate.
