N.B. Centres are reminded that when assessing student's work, they should firstly allocate a grade and then a raw mark. It is the raw mark that **must** be reported to Edexcel on the OPTEMs form prior to moderation.

For ease of reference, the raw mark can be converted to a UMS mark, using the table below. However, both the raw mark and UMS mark for portfolio units are subject to moderation.

Unit Grade	U						E		D		C		B		A										
Raw Mark	0	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24
