

Recording Your Achievement

BTEC National Certificate in Food Science and Manufacturing Technology

Your course is made up of units. These units are internally assessed through assignments set and marked by your tutors.

As you complete each unit your tutor will tell you what grade you have achieved - Pass, Merit or Distinction. To ensure that your assessed work has been marked fairly Edexcel checks samples of tutors' marking. This process usually takes place between January and May, the grades for your assessed units can change as a result.

When you have completed all the units of the course you will receive two overall grades for your qualification – again Pass, Merit or Distinction. These are the grades that will be shown on your certificate and that you should give when you apply for higher education or employment.

- * To calculate your overall grade:
 - points are allocated to the grades you have achieved for the assessed units:

For each unit	Points gained
Pass	2 points
Merit	4 points
Distinction	6 points

The points are added together to give your final grades as follows:

BTEC National Certificate in Food Science and Manufacturing Technology	
Points	Grades
56-72	DD
46-54	DM
36-44	MM
30-34	MP
24-28	PP
