

SUPPORT MATERIALS PRE - ORDER FORM

Edexcel Level 2 and 3 NVQs in Health

The following support materials are available for the Edexcel Level 2 and 3 NVQs in Health; this includes all the endorsed titles for specific occupational areas.

The CD-ROM contains all you need to get going with the new National Occupational Standards (NOS) and these new and focussed NVQs. The electronic version of the logbook enables you to personalise the logbook to the candidate for the qualification being sought. This also offers the opportunity for a candidate to keep an electronic logbook. The CD-ROM contains all the following:

- Edexcel NVQ Guidance for Centres – General Guidance for Edexcel Centres
- Edexcel NVQ Candidate's Guidance
- Edexcel Levels 2 and 3 NVQs in Health – Sector Guidance for Edexcel Centres
- Edexcel Level 2 NVQs in Health – Edexcel Candidate Logbook
- Edexcel Level 3 NVQs in Health – Edexcel Candidate Logbook
- FAQ's and Transition Map
- Power-point presentation.

For those who still want to buy individual logbooks for candidates this facility is also provided. All these materials will be available in late July 2005.
