

Professional body recognition for the BTEC HNC in Business and the BTEC HND in Business

Introduction

Edexcel's qualifications are nationally recognised by employers and professional organisations. The recognition of BTEC Higher National Certificate (HNC) and Higher National Diploma (HND) is a way for students to prepare for jobs and careers in their chosen field through membership of relevant professional bodies.

Edexcel students and graduates may be offered exemptions by professional bodies from parts of their own qualifications in relation to membership.

The information provided is given in good faith. It is the professional bodies who will actually decide whether to accept your individual qualifications. If any questions about the nature of the exemptions and requirements, the body concerned should be contacted.

Exemptions will be available from various professional bodies in the fields of accounting, management, law and marketing.

Further details of professional body recognition and exemptions of BTEC Higher Nationals are contained in the publication *BTEC Professional Recognition Guide* which will be available on the Edexcel website (www.edexcel.org.uk).
