Dear Colleague

Edexcel Level 2, 3 and 4 NVQs in Children's Care, Learning and Development - Amendment to Published Materials

The Edexcel Level 2, 3 and 4 NVQ's in Children's Care, Learning and Development - sector guidance for centres contains an annexe intended to provide some help in the candidate APEL process.

The introduction to Annexe D: Mapping for transfer between NVQ's in Early Years Care and Education and Children's Care, Learning and Development, has been amended to clarify the focus and status of the guidance provided in the mapping.

The revised introduction to Annexe D : Mapping to assist in the transfer of candidates between NVQ's in Early Years Care and Education and Children's Care, Learning and Development is attached for your information. The mapping remains the same.

Issue 2 of the Edexcel Level 2, 3 and 4 NVQs in Children's Care, Learning and Development - Sector guidance for centres is available for download from the Edexcel website.
