

School & College Achievement & Attainment Tables - Discounting, and point scores

This Policy Watch outlines discounting, some common queries, and lists information for as many Edexcel qualifications as was available at the time of writing.

Further information on the inclusion of the English and maths indicators, and more on the Post-16 tables can be found on the policy page of the Edexcel website -

DISCOUNTING

Discounting procedures are followed to preclude the counting of 2 or more subjects with the same (or similar) content.

Only qualifications within the same family will discount one another, with the higher level qualification counting ahead of a lower level qualification in the same family. The following table sets out families of qualifications, by level.

Qualification Families in the 2004 Achievement and Attainment Tables							
General	General Vocational	Occupational	Vocationally related	Key Skills	Basic Skills	Vocational Languages	Graded Exams
GCE AS Double	VCE AS	NVQ Level 2	VRQ Level 2 or BTEC First	Key Skills Level 2	Basic Skills Level 2	Intermediate GNVQ language Unit	Graded Exam (Grade 8)
GCE AS	Full GNVQ, Intermediate	NVQ Level 1	VRQ Level 1	Key Skills Level 1	Basic Skills Level 1	NVQ language unit at Level 2	Graded Exam (Grade 7)
GCSE (Full course)	Vocational GCSEs					Foundation GNVQ language unit	Graded Exam (Grade 6)
GCSE Short Course	GNVQ Part 1 Intermediate					NVQ language unit at Level 1	Graded Exam (Grade 5)
Entry Level 3	Full GNVQ, Foundation						Graded Exam (Grade 4)

Entry Level 2	GNVQ Part 1 Foundation						Graded Exam (Grade 3)
Entry Level 1							Graded Exam (Grade 2)
							Graded Exam (Grade 1)

SOME COMMON DISCOUNTING QUERIES

- Key Skills do not currently discount Basic Skills - both qualifications can be counted.
- If a pupil obtains a Key Skill by proxy, both qualifications can be counted for the purposes of the tables.
- The exception to this is ICT where it is achieved by full proxy.
- GCSEs and Key Skills qualifications achieved in the same subject will both count towards the tables. However, again, this does not apply to Key Skills in ICT obtained by full proxy.
- The same applies to Key Skills in ICT obtained by full proxy when taken alongside the DiDA suite of qualifications - both qualifications cannot be counted.

CONTRIBUTIONS TO THE THRESHOLDS AND POINT SCORES

The table below includes the information for as many Edexcel qualifications as was available at the time of writing. To look up specific qualifications please see QCA's openquals website at <http://www.qca.org.uk/openquals>.

Accreditation is a continuous process, and data is uploaded to openquals weekly, usually overnight each Friday. Performance figures can only be added after the DfES has approved the qualification under Section 96. It could be up to four weeks from when a qualification receives accreditation to when performance figures appear on openquals.

Pre-16

Since 2004 the Tables have included all qualifications approved for use pre-16 at Entry Level, Level 1 and Level 2. This means that BTEC, NVQs and basic skills qualifications are all included.

Post-16

From 2006, the DfES will extend the range of qualifications reported in the Post-16 Tables to include all Level 3 qualifications approved under Section 96 of the Learning and Skills Act (2000). In order to do so, the Tables will now adopt the new QCA tariff for level 3 qualifications. For further information on this see the Edexcel Policy Watch - 2006 School and College Achievement and Attainment Tables on the policy page of the Edexcel website - <http://www.edexcel.org.uk/about/policies/>.
